Welcome to the Humanities and Social Science department at Coolum State High School.

Humanities and Social Sciences comprise disciplines that are concerned with society and the interrelationships among individuals within a society, which can be with each other, their ancestors, their government, their built or natural environment, their work place or their legal system. Subjects within the department include:

- Ancient and Modern History
- Geography
- Legal Studies
- Justice Studies
- Tourism
- Civics and Citizenship
- Economics

All the disciplines within the department use methods of research for understanding society both past and present. Each discipline analyses specific areas of interaction and focuses on varying aspects of human society.

In the Junior Secondary Curriculum students will engage with History, Geography, Civics and Citizenship and Business and Economics.

In the Senior Secondary curriculum Year 10 students engage with History, Geography, Civics and Citizenship; whilst Year 11 and 12 students can choose from any of Ancient History, Modern History, Geography, Legal Studies, Justice Studies and Tourism

Currently due to the change of curriculum to align with the Australian Curriculum the second semester of the Junior Secondary curriculum and Year 10 curriculum is currently being finalised and will be available for viewing at the end of Term 1. In Semester 1 2014 all students are following our History curriculum which is available for viewing.
